

Wars do not build Nations; wars destroy them.  
Wars bring unnecessary pain, hunger, distress and suffering.  
There is an alternative to war: the promotion of peace, the sharing of  
resources and the creation of understanding among all people.

Mr. Benjamin Y.T. Weng  
Care to Help Charity Foundation

Dear Mr. Weng,

On behalf of VAM, I would like to extend our heartfelt thanks and gratitude for your donation of US\$5,000.00. We greatly appreciate your support and generosity.

Your contribution will assist in the funding of much needed construction at the Voices of African Mothers Girls Academy in Ghana, West Africa.

VAM is extremely proud of our continuing commitment to bring peace and hope through education to the children of Africa.

It is through the tremendous generosity and support of individuals and organizations, such as yours, that we can continue to establish, fund and support the much needed programs that we sponsor for women and children, such as VAM Girls Academy – soon to be a model for demonstrating strong, viable and sustainable approaches toward improving the quality of life for African women and their families. (Please visit our website at [www.vamothers.org](http://www.vamothers.org) to learn more about our mission.)

Once again, we thank you for your generosity and wish good fortune to you and your organization.

Warm Regards,

Nana-Fosu Randall  
Founder and President
